EXPERIENCE

Assistant Brand Marketing Manager, Comfort, Hindustan Unilever Ltd (HUL)

Jul'24 - Present

Brand Building, Experiential Activations & Integrated Campaigns | 27% Value Growth YoY

- Led lifestyle-led brand transformation for Comfort through Lakme Fashion Week, shifting the brand identity from functional laundry to a more premium lifestyle proposition.
- Managed 5 agencies across digital content, artist / PR management, and media planning; delivered 128 reels and generated 27M organic views in 6 days.
- Built integrated campaigns across ATL, BTL, digital, PR, and social touchpoints, increasing total awareness by 1600 bps in East-West India and Top-of-Mind awareness by 800 bps in South.
- Planned and optimized a 100 Cr annual media plan across TV, movies, fragrant newspaper, and digital channels to grow reach and salience.
- Designed awareness and demand-generation programs across PMax, CPAS, sampling, and regional campaigns; evaluated ROI and consumer response to optimize performance.
- Worked with regional and cross-functional teams to execute in-market campaigns across South and Non-South India and improve recall and growth impact.
- Developed platform-specific growth playbooks for 4 e-commerce / q-commerce platforms and drove 103% growth on q-commerce through on-platform and off-platform marketing.

Senior Product Management & Analytics Executive, e-Com, Hindustan Unilever Ltd (HUL)

Apr'22 - Jun'24

Analytics, Execution Excellence & Cross-Functional Delivery

- Partnered with cross-functional teams to launch a webapp that saved the work of 3 FTEs and reduced launch turnaround time by 10 days.
- Improved data accuracy to 98% and accelerated decision-making across availability, pricing, and discovery on 9 e-commerce platforms.
- Combined analytics and business actionability to improve availability, paid share of voice, and market share across digital commerce channels.

Analyst, Bain & Company (BCN)

Mar'21 - Apr'22

- Built consumer and market-entry strategies for FMCGs, airlines, government, and startup clients by synthesizing research, analytics, and market insight for C-suite stakeholders.
- Created 15+ Excel models and used consumer-journey analysis tools to recommend actions across omni-channel shopping behavior.
- Awarded Best Analyst among a 53-member team; earned appreciation from C-suite leaders across 5 companies.

Technical Process Intern, Nestle R&D

Jan'19 - Jun'19

- Delivered a Rs. 12M CAPEX saving and reduced utility cost by 9.2% for Maggi in Malaysia through structured experimentation and process optimization.
