SUMMARY

Data-oriented, insight-driven marketing professional with 6 years across product marketing, growth marketing, brand strategy, and analytics at Hindustan Unilever, Bain, and Nestle R&D. Experienced in building go-to-market strategy, growth experiments, and cross-channel programs for consumer products in India, using analytics, consumer insights, and AI tools to shape launch and investment decisions. Currently driving growth for the Rs. 1,600 Cr Comfort brand through launch planning, digital asset optimization, media strategy, and platform playbooks across e-commerce and q-commerce. Strong track record of improving trial, conversion, availability, and share while leading cross-functional execution with product, sales, media, content, finance, supply chain, agencies, and platform partners.
